

Sunday Streets Wet Weather Policy 2018

Thank you for your interest in participating with Sunday Streets. The following policy outlines the protocol for inclement weather during a Sunday Streets event.

Although unlikely, there is a possibility that a portion of, or an entire Sunday Streets event, may be cancelled due to the Acts of Nature, the City and County of San Francisco, or others with the authority to do so.

It is agreed that Sunday Streets will not be held responsible for any Acts of Nature, including, but not limited to: heavy rain, flooding, unstable ground, earthquakes, or storms of any kind. It is further agreed that Sunday Streets will not be held responsible for the negligence of others, or decisions made by the City and County of San Francisco Permitting agencies to alter or cancel a Sunday Streets event.

Sunday Streets Exhibitors are responsible for showing up to the event on time and ready regardless of the weather. Sunday Streets asks that questions regarding weather and cancellation be held to a minimum and we will update activity hosts the week before on current weather predictions and updates. The times for these updates will be:

Thursday of the week before event via email and social media

Saturday before event via email and social media

Sunday day-of at 12:00 pm to cancel or move forward with the event
