

Sunday Streets 2021 Program Guidelines *Amplified Sound Agreement*

About

Sunday Streets is a program of the nonprofit Livable City, presented in partnership with SFMTA, SFDPH, and the City and County of San Francisco. Sunday Streets mission is to:

- Create temporary open space and recreational opportunities in neighborhoods most lacking
- Encourage active living and healthy eating
- Foster community building
- Inspire people to think differently about their streets as public spaces

The Sunday Streets Program Guidelines are created to maintain public safety and the integrity of the program's mission. We thank you in advance for investing in San Francisco by participating at Sunday Streets and adhering to all of the Sunday Streets Program Guidelines.

Each route has established locations for amplified sound that are approved by the San Francisco Entertainment Commission and neighborhood Police Station in advance of the event. During the event, we are busy balancing the needs of other performers, outreach booths, and neighbors, so we thank you in advance for getting us all your information early and adhering to the guidelines below so we can maintain a respectful and fun environment for all.
