

Sunday Streets SF 2022

Campaigning Policy

ABOUT

Sunday Streets is a program of the nonprofit Livable City, presented in partnership with SFMTA, SFDPH, and the City and County of San Francisco. Sunday Streets mission is to:

- Create temporary open space and recreational opportunities in neighborhoods most lacking
- Encourage active living and healthy eating
- Foster community building
- Inspire people to think differently about their streets as public spaces

This policy is part of Sunday Streets SF Program Guidelines, which were created to maintain public safety and the integrity of the program's mission. We thank you in advance for investing in San Francisco by participating at Sunday Streets SF and observing this policy along with all other policies as outlined in Sunday Streets Program Guidelines.

The campaigning policy outlined below encourages an accessible and welcoming environment for campaigns and attendees at Sunday Streets.

For nonprofit status considerations, Sunday Streets does not accept sponsorships or provide fee waivers or issue exemptions to campaigning policies to any electoral campaigns or partisan entities.
